

35th SYNOD

**23–25
October 2020**

**35th Synod 23–25 October 2020
and Moderator’s Induction Service 22 October 2020**
ONLINE, hosted by the Queensland Synod office, Auchenflower.

The Queensland Synod worship planning team are pleased to invite congregations to contribute pre-recorded music for use during the 35th Synod in Session in October 2020. As the Synod will meet digitally, local ensembles are invited to record one or two songs as an .mp4 (video file) which will then be streamed during the online gathering. Songs may be used during worship or between business meetings. For more information, contact Music35thSynod@gmail.com.

We are keen to see the inside of your church, or outside in your community—if audio quality allows! The Synod office will take care of all copyright licences, but please ensure you have original music to learn your parts from. The Synod office will superimpose lyrics over the lower third of the screen, so please do not add any text to your video. We will acknowledge your congregation and performers in the video.

How to be involved:

1. Choose a song or two from the list below.
If you have a favourite song in your congregation that fits the theme of “Grow” and you’d like to share, please make contact with your suggestion before 14 September 2020. If your ensemble can share a song in a language other than English, we welcome your contribution.
2. Contact Music35thSynod@gmail.com to nominate the song(s) you will record. While we look forward to a couple of different interpretations, we may have to ask you to choose a different piece if we already have enough nominations for a particular song.
3. Gather your ensemble—in person with appropriate physical distancing or virtually—and record the music. When filming, please ensure you follow these instructions:
 - Film in landscape orientation.
 - Leave ‘space’ (i.e. No faces or important detail) in the lower third of the screen as this is where lyrics will be superimposed.
 - Ensure your audio quality is the best you can provide (reduce wind, crying children, bleating goat noises, etc. Ensure laughing kookaburras are in the instrumental/intro/outro ...).

35th SYNOD

- Wear plain colour clothing—no small stripes or patterns as it does crazy things for the viewer’s eyes when video streaming!
 - Check you have sufficient battery life in your phone/camera.
 - Use natural light falling onto the musicians (not behind!)
 - Frame the shot with your camera on a stand/support (NOT hand held) and avoid zooming in (reduces video quality).
 - Smile and show energy in your performance—remember you’re telling the greatest story through this music.
4. Name your video “35Synod XYZ ABC” (XYZ = song name, ABC = congregation)
 5. Upload your video(s) to www.wetransfer.com
It's a very easy to use program—simply drag and drop files from your desktop to the window and input the email address samgunders@gmail.com, your own email, and click ‘transfer’. You may be required to input a code to verify that will be sent to your inbox.
 6. Email Music35thSynod@gmail.com with a list of names of your performing musicians for acknowledgement in the video.
 7. Videos are due by Wednesday 30 September 2020.
 8. Join in Synod at the Moderator’s Induction on Thursday evening 22 October 2020 to share in worship, celebration and the growing of our church all over this fabulous state.

Thank you for your contribution!
