

Minister - Elanora/Currumbin Valley Congregation

Elanora/Currumbin Valley Congregation located on the southern Gold Coast 10kms from the NSW border.

The congregation which shared its location with BlueCare hostel, independent living and regional office, is 'a caring community with Christ' who 'seek to know Christ and make Christ known transforming lives in our community.' The 2032 vision is to be known as a vital part of the community spiritually and practically and 'to be a go to destination where young and old see and meet Jesus'. The congregation is seeking a Minister to lead the Elanora congregation in implementing this vision through worship, witness and service. The Currumbin Valley holds a worship service fortnightly which is multi denominational in nature.

We are looking for a minister with sound theological training to encourage and equip the people in being lifelong disciples and to go make disciples. The Elanora site provides vibrant and active community ministries throughout the week and thereby requires a pastoral and relational minister to work alongside the lay led ministry team.

Please submit an expression of interest to the Secretary of Placements Committee at placements@ucaqld.com.au by Monday 18TH November 2024 COB.
