

Centenary Uniting Church – Minister – Full-Time Placement

Centenary Uniting Church is seeking a Minister to join our Church community and make it home. We are an inclusive community and welcome people from all walks of life. Our vision statement is "Living God's Mission as Disciples of Jesus United in the Spirit" and our current Mission plan is built around two goals- to grow and strengthen community and to nurture faith and discipleship.

Church Council is also seeking intentional leadership in the recognition, encouragement and mentoring of a new cohort of congregational leadership in a time of transition. Energy and enthusiasm, an ability to connect successfully across the generations and to creatively connect scripture with the world today is all that is required!

Please submit an expression of interest to the Secretary of Placements Committee placements@ucaqld.com.au by COB Monday 19^h May 2025.
