

With stunning beaches, coastal trails, and nearby national parks, the Capricorn region offers endless opportunities for energetic outdoor pursuits as well as the arts, café culture, and unique retail opportunities. Yeppoon and Emu Park boast a laid-back atmosphere and strong sense of community, perfect for families or those seeking to enjoy a warm, subtropical climate with sunshine year-round. Local services abound: quality schools, hospital, aged care facilities, government agencies and local council.

It's region's proximity to Rockhampton enables access to city amenities like hospitals, universities, and shopping, while enjoying coastal living.

The Capricorn Coast congregation is seeking a Minister to encourage our involvement in congregational life and groups in the church; in worship; in making disciples; to facilitate outreach to families and the community, and to be a theological resource.

The congregation seeks to shine Christ's light in the community so that people will come to know of God's unconditional love, Jesus' sacrifice and the new life He offers, and the guidance of the Holy Spirit.

Please submit an expression of interest to the Secretary of Placements Committee placements@ucaqld.com.au by 25th August 2025 COB.

For any further information please email Rev Scott Ballment, Presbytery Minister: cqpresmin@centralqldpresbytery.org.au
