

Ashmore Uniting Church, located in the well-established suburb of Ashmore on the Gold Coast, is a welcoming congregation committed to revitalisation with a vision to deepen discipleship and community engagement.

We are seeking a Minister (0.8 with the potential to grow to full time) to lead us in worship, mission, and service. As we have an OpShop onsite and share facilities with YWAM there is further potential to strengthen connections missionally and disciple new members. We are looking to call a minister who will respond compassionately to local challenges, develop a pastoral care model to support all ages and lead and develop worship services nurturing faith formation.

Please submit an expression of interest to the Secretary of Placements Committee placements@ucaqld.com.au by 31st January 2026 COB

For any further information please email Rev Pete Smale prcchair@southmoreton.org.au
