

Bremer Brisbane Presbytery, in partnership with UnitingCare Qld, is seeking an experienced **Community Ministry leader** (FTE 0.4) to join the Bremer Brisbane team and the Connect100+ network. Connect100+ is the community and church partnership program of UnitingCare Qld, which seeks to develop shared partnerships, provide enhanced holistic care and support missional innovation throughout Qld communities.

This position supports the development of these partnerships in Bremer Brisbane Presbytery, with a specific focus on Ripley Valley and Ipswich regions. The purpose of this role is also to support the development of a Uniting Church presence in Ripley Valley, specifically working with UCA Ripley Faith Community. The Ripley Valley Community Ministry leader will build pastoral relationships of support and care with the people of Ripley Valley, and with staff of UnitingCare Queensland who serve or live within the area. This role will contribute to the vision of Connect100+ in the Ripley Valley, Ipswich area and surrounds.
