

Centenary Uniting Church is seeking a minister to join our Church family and make it home. Our congregation is set in the western suburbs of Brisbane with plentiful shopping centres, healthcare services, schools and daycare, and proximity to sporting facilities and parklands. We are an inclusive community and welcome people of all ages and from all walks of life. Our vision statement is 'Living God's Mission as Disciples of Jesus, United in the Spirit' and our current Mission plan is built around two goals: to grow and strengthen community and to nurture faith and discipleship. We have a strong pastoral care team with lay leadership and a dedicated church council eager for increase in our community engagement.

We seek an enthusiastic ministry leader who can provide traditional worship and stimulate consideration of Christian discipleship for our older age group, while encouraging our vibrant group of younger people to expand their service and mission.

To submit your expression of interest please email placements@ucaqld.com.au by COB 13/04/26.

For further information and placement description please contact Presbytery Minister Rev Glen Schweitzer at presmin@bremerbrisbane.org.au.
