Key Components:

- 6 week course at Trinity College
- Hands on Ministry Project
- Exploring Different Ministry Areas

Why RLP?

RLP (Residential Leadership Program) is a 10 week, live in, part-time program, about exploring your faith, discovering your calling and building your confidence as a Christian leader in today's world.

You will be equipped with leadership skills, and build practical skills in communication and community engagement, surrounded by a supportive, encouraging and prayerful community.

Based in Toowong Uniting Church, this program is for young adults to grow in faith, sharpen ministry skills and step boldly into who God has created them to be.
