

Bribie Island Uniting Church is seeking a minister or pastor to help lead us as we seek to live out God's Mission through following Jesus, loving our community, and sharing the gospel in word and deed. Our congregation is a mostly retired community of believers, yet adventurous, flexible, and actively adapting to ensure that we follow where God may lead us as we share our faith throughout our community.

Bribie Island is a community of over 20,000, with a median age of 37. It is ideal for family ministry, and we have endeavoured to lay the foundations for such a ministry to emerge from within the cadence of our worship, witness, and service.

The leader we seek will be able to guide us in worship, mission, and service, will have sound theological training, be grounded in Scripture, and will be able to encourage and strengthen us in our present discipleship, and guide us in our mission to make new disciples, as we love and serve the people and families of the community.

Please submit an expression of interest to the Secretary of Placements Committee [placements@ucaqld.com.au](mailto:placements@ucaqld.com.au) by 11/5/26 COB. For any further information, please email Graem Bulley, Council Chair: [grbulley@gmail.com](mailto:grbulley@gmail.com).
