Roundtable Gatherings for Climate Justice in the Uniting Church

Dear friends,

Grace and peace to you in the name of Jesus Christ.

As a Church, we are called not only to proclaim the Gospel, but to live it—responding to God’s love through our care for one another and for the whole of creation. In this season, as we continue to discern our life and witness together, I invite you to take part in a series of Assembly Net Zero Emissions Roundtable gatherings focused on Climate Justice.

These gatherings are an opportunity for us, as the Uniting Church, to deepen our shared commitment to this work—grounded in faith, shaped by the wisdom of First Peoples, and expressed through practical action in our communities.

There will be three online Roundtable gatherings this year, each held via Zoom for two hours, commencing at **2:00pm AEST**.

Thursday 21 May

Roundtable 1: The Advocacy Calling of the Uniting Church for Climate Justice

Explore how we, as a Church, are called to advocate for justice and how you can engage in this work within your context.

Together, these gatherings seek to:

- Equip the Church to respond faithfully to the call to Climate Justice
- Strengthen connection and shared purpose across our communities
- Encourage ongoing action in our local contexts and spheres of influence

I encourage you to take part in these important conversations and to invite others within your communities to join you.

As we continue to walk together as a pilgrim people, may we be renewed in hope and courage—trusting that God is at work, drawing all creation toward healing and reconciliation.
