6. Please provide your email address that will be used to set up your Moodle account, your first and last name. Use Australia as the country.
7. Please add the name of your congregation in your profile, in the section provided.
8. You must choose a presbytery from the list provided, in order to create an account. Please make sure that you choose the correct presbytery. The presbytery ensure that you are enrolled in the correct course/s and also issues you with your certificate of completion.
9. Please fill in the reason or your account – eg need to do training.
10. Click on Create my new account
11. If you receive an email from:

## Uniting Church in Australia, Queensland Synod: New user account

Then this is the link to confirm and access your account.

12. Check your junk/ spam folder if you can't find this email. It is important to provide a **personal/ or only-owned-by-you email address** so that you will have your own account set up in Moodle.

## 2. Confirm account

The next step is to have your account confirmed, so that you can use it. Your presbytery administrator will confirm your account. This is why it's important to make sure that you fill in the details about your congregation and your presbytery. Contact details for each presbytery are located on the Moodle home page, and have also been provided below:
