Application process guidelines

This application process is to be used to apply to serve in the specified ministry of pastor within the Uniting Church in Australia, Queensland Synod.

Each part of the application process should be completed with prayerful consideration of the gifts and graces of the applicant and the needs of the church. For the applicant especially, it should be a time of growth and discernment.

It is expected that the application process will be completed in an open and honest manner. It is therefore essential that confidentiality be observed by all who have a part to play in completing the process. This includes the applicant, referees, and members of the councils of the church.

Confidentiality

The selection process requires you to undergo background checks which require close scrutiny of their work/ministry history, a working with children check and/or criminal history check(s) and referee checks to ensure that you are suitable for selection for placement.

This application form contains questions about personal and sensitive information. If you would like to discuss these questions, please call the associate general secretary of the Synod on 07 3377 9822 or 61 7 3377 9822 if calling from overseas. Your referees will be required to complete a referee screening questionnaire and answer questions within their knowledge about you.

Confidentiality is observed when statements (written and oral) are made on the clear understanding that they will be shared only with those who "need to know" to progress your application. This means that confidential testimonials, statements and information made in reports, references, interviews, etc. during the application process will be made known only to those directly involved in the process, and not to any persons or bodies external to the process.

Each person providing a report is responsible for sharing their report with you promptly and in a caring and constructive way (preferably face-to-face) regarding the report's content, references and recommendations made about you. At every stage of the process you should be in a position to correct errors of a factual nature to progress your application.

To preserve confidentiality and to comply with privacy requirements, the original application, reports, etc. are to be sent to the secretary of the Pastor Application Committee marked "CONFIDENTIAL" for safe-keeping in accordance with the Uniting Church in Australia Queensland Synod privacy policy. This policy can be viewed at www.ucaqld.com.au/administration/policies
